Praise for Blackledge Stories:

"Blackledge Stories" goes beyond the genealogical events, recounting adventures of both recently departed and current clan members. Well written and well told, it will hold your interest.

- *Richard W. Blide, author of **Heartfelt** and **Alien Threat***

The legacy of family history, especially family stories, is one of the greatest gifts that we can give to our descendants. These stories will be treasured by future generations.

- *Stephen M. Duncan, author of **Citizen Warriors; A War of a Different Kind; Only The Most Able***

At the end of my first read, my thought was "I want to meet this family." Actually, the thought was that I wanted to be a part of this family. An excellent read.

- *Jack Saux, author of **Clueless in New Orleans** and **Men By Nature Are Foolish***
