Blackledges in America **Second Edition on CD**

A Genealogy of Blackledge/Blacklidge Descendants
with Roots in the United States of America

ISBN **978-0-9722704-1-0**

Compiled by:

- Mary Ann Ryza Blackledge of Grants Pass, OR;
- David W. Blackledge of Carlisle, PA; *and*
- Michael A. Blackledge of Albuquerque, NM

The First Edition of this book was published in 2002. A second printing soon sold out as well. This significant revision, the **Second Edition**, far surpasses the First Edition, with three times the descendants and pages, twice as lengthy an Index, plus many additions, corrections, and photographs. A decade in the revision, the work is offered as PDF files on a compact disc (CD) format (readable by Adobe Acrobat) and provides the most extensive genealogy and history ever of the Blackledge/Blacklidge family in the United States.

Approximately 90% of all Blackledge/Blacklidge surnames in the United States derive from one of four primary progenitor lines dating back to the early 17th and 18th centuries. Chapters provide lines of:

John Blackleach, Phillip Blacklidg, William Blackledge, and Zachariah Blackledge

Also included is a chapter on other Blackledge lines not linked to the above, and, for the first time, a chapter on African-American Blackledge families. The book represents the compilers' impressive research and collaboration with numerous contributors, both genealogists and descendants. The reader will find bibliographical notations throughout to support and authenticate the research. The work includes derivation of the name, English roots, and Blythe Hall – the John Blackleach ancestral home. Numerous family stories of interest have been provided by descendants – and there are countless opportunities for additional research!
